<p>On Thursday, April 17, 2014, I, United States Border Patrol Agent (b) (6), (b) (7)(C) was assigned to roving patrol within the Indio, California Border Patrol Station's area of responsibility ("AOR").</p> <p>The Indio Station's AOR is an area that begins approximately twenty to thirty miles from the United States' international border boundary with Mexico. The El Centro, California and Calexico, California Border Patrol Stations have AORs which are along the border, south of the Indio Station's AOR. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>Prior to beginning my shift, I researched border incursions that were discovered and documented by the Calexico and El Centro Stations in the previous day. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E) The area in which the remaining three were last documented as traveling was near a United States Navy aerial training range. In my experience, subjects that cross the border in that area and travel on foot for that distance are undocumented aliens that are avoiding inspection by immigration officers.</p> <p>At approximately 6:15 a.m., Agent (b) (6), (b) (7)(C) who was assigned to the Highway 86 Border Patrol Checkpoint, was scanning an area to the southeast of the checkpoint, "Elmore's Ranch," using a (b) (7)(E) Camera (b) (7)(E)</p> <p>The Highway 86 Checkpoint is located within the Indio Station's AOR on Highway 86, a north/south freeway. Agents assigned to the checkpoint inspect northbound travelers.</p> <p>(b) (7)(E)</p> <p>While scanning, Agent (b) (6), (b) (7)(C) notified me that he observed three subjects walking northeast into Elmore. The area in which they were walking from is known as the (b) (7)(E) runs directly northeast from the area in which the remaining three suspected aliens were believed to be traveling.</p> <p>Based on my research of the three outstanding suspected illegal entrants, combined with Agent (b) (6), (b) (7)(C) observation of the three subjects walking in the area of BLM 326, I believed that the subjects were involved in violations of the Immigration and Nationality Act, specifically Section 212(a) (6) (A) (I), Aliens Present in the United States without Admission.</p> <p>Agent (b) (6), (b) (7)(C) and I responded to the area and immediately obtained visual contact with the three subjects. Agent (b) (6), (b) (7)(C) and I were in a green and white Chevrolet Tahoe which was marked with Border Patrol insignia. As we drove closer to the subjects, they turned and looked in our direction, then immediately fled into an area with thick brush, out of our view.</p>

<p>In my experience, a subject's unprovoked flight from the marked presence of an immigration officer is indicative of involvement in illegal activity.</p> <p>Agent (b)(6) & (b)(7)(c) and I pursued the subjects into the area. An in-depth search of the area by Agent (b)(6) & (b)(7)(c) and me resulted in the discovery of one subject. The subject was found laying under a group of sticks, below thick brush. Upon making contact with the subject, I identified myself as a Border Patrol agent and ordered the subject to exit from the brush. Upon the subject exiting the brush, I questioned him regarding his identity, citizenship, and immigration status. The subject identified himself as (b)(6) & (b)(7)(c). <p>Prior to beginning my shift, I researched border incursions that were discovered and documented by the Calexico and El Centro Stations in the previous day. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>(b) (7)(E)</p> <p>near a United States Navy aerial training range. In my experience, subjects that cross the border in that area and travel on foot for that distance are undocumented aliens that are avoiding inspection by immigration officers.</p> <p>At approximately 6:15 a.m., Agent (b) (6), (b) (7)(C), who was assigned to the Highway 86 Border Patrol Checkpoint, was scanning an area to the southeast of the checkpoint, "Elmore's Ranch," using a (b) (7)(E) Camera (b) (7)(E)</p> <p>The Highway 86 Checkpoint is located within the Indio Station's AOR on Highway 86, a north/south freeway. Agents assigned to the checkpoint inspect northbound travelers.</p> <p>(b) (7)(E)</p> <p>(b) (7)(E)</p> <p>While scanning, Agent (b) (6), (b) (7)(C) notified me that he observed three subjects walking northeast into Elmore's Ranch. The area in which they were walking from is known as the (b) (7)(E) runs directly northeast from the area in which the remaining three suspected aliens were believed to be traveling.</p> <p>Based on my research of the three outstanding suspected illegal entrants, combined with Agent (b) (6), (b) (7)(C) observation of the three subjects walking in the area of BLM 326, I believed that the subjects were involved in violations of the Immigration and Nationality Act, specifically Section 212(a) (6) (A) (I), Aliens Present in the United States without Admission.</p> <p>Agent (b) (6), (b) (7)(C) and I responded to the area and immediately obtained visual contact with the three subjects. Agent (b) (6), (b) (7)(C) and I were in a green and white Chevrolet Tahoe which was marked with Border Patrol insignia. As we drove closer to the subjects, they turned and looked in our direction, then immediately fled into an area with thick brush, out of our view.</p> <p>In my experience, a subject's unprovoked flight from the marked presence of an immigration officer is indicative of involvement in illegal activity.</p> <p>Agent (b) (6), (b) (7)(C) and I pursued the subjects into the area. An in-depth search of the area by Agent (b) (6), (b) (7)(C) and me resulted in the discovery of one subject. The subject was found laying under a group of sticks, below thick brush. Upon making contact with the subject, I identified myself as a Border Patrol agent and ordered the subject to exit from the brush. Upon the subject exiting the brush, I questioned him regarding his identity, citizenship,</p>

van parked with its lights off. As we passed the van, I saw the the windows were lowered and the rear hatch-door was open. The vehicle did not appear to be occupied or operational, so I found it abnormal that it had its windows and door open. Agent (b)(6) & (b)(7)(c) pulled into the parking lot and parked near the van to investigate it further.

After parking, Agent (b)(6) & (b)(7)(c) and I exited our vehicle and approached the van. As we neared the van, I observed a male subject laying in the rear of the van. When I approached the van and shined my flashlight at the interior of the van, the subject sat up and greeted me. I returned the subject's greeting and identified Agent (b)(6) & (b)(7)(c) and myself as Border Patrol agents. I questioned the subject regarding his identity and purpose for being parked in the parking lot. The subject identified himself as (b)(6) & (b)(7)(c) and stated that he did not have any form of identification. I asked (b)(6) & (b)(7)(c) why he did not have any identification and he openly admitted that it was because he did not have any immigration documents that would permit him to visit, work, or reside in the United States legally. I asked (b)(6) & (b)(7)(c) if he was in the United States illegally and he admitted that he was. I notified (b)(6) & (b)(7)(c) that he was under arrest, performed a search of his person, and secured him in the rear seat of my service vehicle.

(b)(6) & (b)(7)(c) was transported to the Highway 86 Checkpoint for further interview and processing.

Agent (b)(6) & (b)(7)(c) and I were wearing green Border Patrol uniforms with badge identifiers visible and were driving a green and white Ford F-150 which was marked with Border Patrol insignia and equipped with emergency lights and siren.</p> <p>At approximately 2:50 a.m., Agent (b)(6) & (b)(7)(c) and I were driving on Ramon Road near the intersection of Landau Boulevard in Cathedral City, California. As we neared the intersection, we observed a group of people standing near a silver pickup truck in an adjacent parking lot. Agent (b)(6) & (b)(7)(c) and I entered the parking lot, and, as we did, we observed a male subject abscond by running away towards a small commercial area. (b)(7)(E)		
<p>Due to the amount of people in that area and the increased risk of violent resistance from the subject, Agent (b)(6) & (b)(7)(c) and I determined that it was unsafe for both the public and us to attempt to pursue the subject on foot. Agent (b)(6) & (b)(7)(c) and I parked our vehicle approximately one block away from the parking lot, while keeping the pickup truck in our line of sight.</p> <p>After approximately twenty minutes, at approximately 3:05 a.m., Agent (b)(6) & (b)(7)(c) and I observed a subject approach the pickup truck and get inside of it, along with two other people. The subject in question appeared to be the subject that had previously fled from us. Shortly after, the vehicle drove out of the parking lot and onto Ramon Road. For several minutes, Agent (b)(6) & (b)(7)(c) and I followed the vehicle. After it made several turns, Agent (b)(6) & (b)(7)(c) and I activated our emergency lights in an effort to effect an investigatory stop of the vehicle. Within seconds, the vehicle slowed and stopped on the right shoulder of Dinah Shore Drive, east of Cathedral Canyon Road. Agent (b)(6) & (b)(7)(c) and I slowed and stopped behind it.</p> <p>Agent (b)(6) & (b)(7)(c) and I exited and approached the vehicle. Through the lowered passenger-side, front window, Agent (b)(6) & (b)(7)(c) greeted the vehicle's occupants and identified himself and me as Border Patrol agents. Agent (b)(6) & (b)(7)(c) questioned each occupant regarding their citizenship and immigration status. The driver stated that he was a citizen of Mexico, lawfully present in the United States under the provisions of Lawful Permanent Residence (LPR). The driver presented a valid I-551, LPR card, which verified his claim. The passenger stated that he was a United States citizen and presented a valid California identification card. The sole rear passenger was wearing a gray sweatshirt and blue jeans and appeared to be the subject that had previously fled from us. The subject stated that he was a citizen of Mexico and stated that he was in the United States under the provisions of LPR. When asked if he was in possession of an I-551, the subject stated that he did not, nor did he have any other form of photo identification.</p> <p>Pursuant to Title 8, United States Code, Section 1304(e), any subject that is present in the United States under the provisions of LPR is required to carry proof of his/her immigration status at all times. The subject's admission that he was not in possession of his I-551 placed him in violation of United States law.</p> <p>Agent (b)(6) & (b)(7)(c) obtained the subject's biographical information, (b)(6) & (b)(7)(c), and contacted El Centro Sector Border Patrol Communications Center (hereinafter (b)(7)(E)). Agent (b)(6) & (b)(7)(c) requested queries of (b)(6) & (b)(7)(c) biographical information for both criminal and immigration history. When Agents (b)(6) & (b)(7)(c) arrived at the deputy's location, they observed that he was performing a vehicle stop. The deputy greeted Agents (b)(6) & (b)(7)(c) and notified them that he had a vehicle with two occupants detained and requested that they assist in translation because neither of the subjects spoke English.</p> <p>Agents (b)(6) & (b)(7)(c) approached the vehicle, greeted the occupants, and identified themselves as Border Patrol agents. Upon completion of their translation, Agents (b)(6) & (b)(7)(c) questioned the occupants regarding their identity, citizenship, and immigration status. One of the subjects identified himself as (b)(6) & (b)(7)(c), and the other identified himself as (b)(6) & (b)(7)(c). <p>number four of four lanes. As we approached the truck, I merged into the number three lane and traveled alongside of it. When we began to pass the truck, its speed rapidly decreased, which seemed out-of-the-ordinary to me. At that time, I observed that we had been traveling at approximately seventy miles-per-hour ("MPH").</p> <p>Normally, when I travel on the freeway in a marked Border Patrol vehicle, I observe consistent behaviors amongst members of the traveling public. In my experience, subjects that are either in violation of immigration laws or involved in criminal history will avoid being placed in situations that make them susceptible to observation by law enforcement officers. When Agent (b) (6), (b) (7)(C) and I began traveling alongside of the truck, its rapid decrease in speed was indicative of this.</p> <p>Agent (b) (6), (b) (7)(C) and I lowered our speed in an attempt to let the vehicle come alongside of us again. In that area of I-10, the recommended speed is sixty-five MPH. Agent (b) (6), (b) (7)(C) and I slowed to approximately forty MPH for several seconds before the vehicle came alongside of us again. We increased our speed to match that of the trucks at approximately 50 MPH. After driving alongside the vehicle for several minutes, Agent (b) (6), (b) (7)(C) and I slowed and merged behind the vehicle and observed that it began swaying from side to side within its lane.</p> <p>The vehicle's fluctuation in speed when it came in contact with Agent (b) (6), (b) (7)(C) and I was suspicious to me, and indicated to me that the vehicle's driver was affected by our presence. An additional indicator that the driver was affected by our presence was our observation of the vehicle swaying within its lane when we merged behind it. In my experience, drivers that are over-focused on the presence of a law enforcement officer behind them will lose focus of their lane of travel and will begin to swerve.</p> <p>Based on our observations, we activated our emergency lights in an attempt to perform an investigatory stop of the vehicle. Shortly thereafter, the vehicle slowed and merged with the right shoulder. We slowed and parked behind it.</p> <p>Agent (b) (6), (b) (7)(C) and I exited and approached the truck. Through the lowered passenger-side, front window, I greeted the truck's driver and sole passenger. I identified myself as a Border Patrol agent and questioned each subject regarding their identity, citizenship, and immigration status. The passenger stated that he was a citizen of the United States by virtue of birth and presented a valid California identification card. The driver identified himself as (b) (6), (b) (7)(C) stated that he was a citizen of Mexico, and admitted to being in the United States illegally. I obtained (b) (6), (b) (7)(C) biographical information and contacted, via service radio, (b) (7)(E) and requested queries for any criminal history and immigration history records associated to him.</p> <p>Shortly after, (b) (7)(E) contacted me and confirmed that (b) (6), (b) (7)(C) was a citizen of Mexico who was illegally present in the United States. Agent (b)(6) & (b)(7)(c) was driving our vehicle and I was in the front-passenger seat. The area of Ramon Road between Landau Boulevard and Crossley Road travels over a large wash. In the area where Ramon Road travels over the wash, Ramon Road travels on a bridge that is elevated approximately one hundred feet above the ground. Both sides of the bridge have cement barriers that run alongside the sidewalks, to guard vehicles and pedestrians from going off of it.</p> <p>While traveling across the bridge, Agent (b)(6) & (b)(7)(c) and I saw a male subject walking east on the sidewalk that was alongside the westbound lanes of traffic.</p> <p>Agent (b)(6) & (b)(7)(c) and I passed the subject and performed a U-turn. <p>(b)(6) & (b)(7)(c) and I stopped approximately fifty feet ahead of the subject. Agent (b)(6) & (b)(7)(c) and I turned on our vehicle's spotlights and focused them on the subject. As Agent (b)(6) & (b)(7)(c) parked, I exited our vehicle. Prior to exiting, I observed that the subject was still walking towards our direction.</p> <p>Normally, in situations where Agent (b)(6) & (b)(7)(c) and I make contact with pedestrians, we greet them and engage them in consensual conversation. Prior to being able to greet the subject, I stepped onto the sidewalk and I observed that he began running towards me. Unaware of his intentions, I put my hands in front of me in preparation to stop him from running into me. I yelled to the subject and indicated that I wanted him to stop.</p> <p>In my experience, when I stop and speak to legitimate members of the public, their behaviors do not change drastically like this subject's did. In cases that subjects begin running upon contact with law enforcement or immigration officers, it is reasonable to believe that it is due to either their involvement in criminal activity or a violation of the United States' immigration laws. I found that the subject running towards me as soon as I attempted to make contact with him suspicious and believed that it was a possible attempt to flee from me.</p> <p>Through training as a Border Patrol agent, I have learned of the levels of force that are sometimes required for use by law enforcement officers when dealing with non-compliant subjects. (b)(7)(E)</p> <p>(b) (7)(E)</p> <p>After yelling to the subject to stop, he continued in my direction. I believed that the subject's behavior was a conscious response to our presence and our attempt to contact him. Since we were located on a bridge, I believed that the subject had two choices of flight: (a) to turn around and flee in the opposite direction of Agent (b)(6) & (b)(7)(c) and I; or (b) to continue through where Agent (b)(6) & (b)(7)(c) and I were and continue west on Ramon Road. If the subject had attempted to flee in either direction, I believed that Agent (b)(6) & (b)(7)(c) and I were in a location that would limit his ability to abscond successfully.</p> <p>As the subject continued to run towards me, he lowered his shoulder, similar to the way that football running backs would when they are trying to run through a defender. I identified that as a pre-assault indicator and believed that the subject was going to try and run through me. The subject approached me very quickly, so I was unable to ready any of my intermediate force tools (e.g., Taser or collapsible baton) - which are located on my waistline - to defend myself. I readied my body and braced for the impact of the subject's body. The subject continued into me, driving his left shoulder into my chest. When I was struck, the subject nearly knocked me over, but I was able to maintain my footing and wrap my arms around the subject. As I pushed back, I yelled, "Stop resisting!" I felt the subject's body continuing to apply pressure, and I threw several strikes to the subject's</p>

<p>neck and head with my right hand - I felt only one of my strikes land on the subject. None of my actions appeared to have any effect on the subject. At that point, Agent (b)(6) & (b)(7)(C) had run around the rear of our service vehicle and came to assist me. Agent (b)(6) & (b)(7)(C) obtained a grip of the subject's left arm and pulled the subject towards him. After attempting to push the subject to the ground for several seconds, Agent (b)(6) & (b)(7)(C) placed his leg in front of the subject and pushed him over it, sweeping him to the ground - Agent (b)(6) & (b)(7)(C) and I fell to the ground with the subject. Once on the ground, Agent (b)(6) & (b)(7)(C) maintained a grip of the subject's left arm and inverted the subject's hand towards his body, applying pressure. I observed the subject pull his right arm under his body, towards his waist. I unsuccessfully attempted to pull the subject's right arm behind his back. Agent (b)(6) & (b)(7)(C) in the Spanish language, gave the subject several commands to stop resisting and to surrender his hands. The subject stated, "Ok," but continued to hold his arm below his body. After several seconds of continuing to pull on the subject's right arm, I was able to retrieve it and pull it behind his back. Agent (b)(6) & (b)(7)(C) placed handcuffs on the subject.</p> <p>Once the subject was secured in handcuffs, I observed blood dripping from the subject's head and onto the ground. For Agent (b)(6) & (b)(7)(C) safety, I told him that the subject was bleeding. We stood the subject up and walked him several steps over to our vehicle. Agent (b)(6) & (b)(7)(C) frisked the subject for weapons and opened the rear door of our service vehicle. As Agent (b)(6) & (b)(7)(C) attempted to place the subject in the rear of the service vehicle, the subject's body posture tensed up. Agent (b)(6) & (b)(7)(C) attempted to force the subject into the vehicle, but the subject began resisting Agent (b)(6) & (b)(7)(C) efforts by pushing himself back towards us. After several seconds, Agent (b)(6) & (b)(7)(C) was able to place the subject in the rear of our vehicle. Agent (b)(6) & (b)(7)(C) briefly questioned the subject regarding his citizenship and immigration status. The subject stated that he was a citizen of Mexico by virtue of birth and admitted to being in the United States illegally. When asked by Agent (b)(6) & (b)(7)(C) if he had any immigration documents that would permit him to visit, work, or reside in the United States legally, the subject told him that he did not, but that he was going to get "papers" because of our altercation with him. At that point, the subject had a large amount of blood dripping down the subject's face and onto his shirt.</p> <p>I began to briefly take photographs of the scene of our altercation and observed a large amount of vehicle traffic approaching and passing our location. For our safety, I turned on our vehicle's emergency lights to prevent vehicles from striking us. As I continued to photograph, I observed a vehicle that was stopped directly behind us. The vehicle appeared to be within one car-length of our vehicle. I motioned to the vehicle to pass us, but they did not. I approached the vehicle, a silver Mercury sedan, which was bearing a California license plate (CA/(b)(6) & (b)(7)(C)), and made contact with its male driver and female passenger through the lowered passenger-side window. While speaking with the driver, he indicated that I was blocking traffic and told me that I could not park in the street; the subject further explained that since my vehicle was in the way of his, he was going to videotape me. I explained to the subject that I was involved in an arrest and that my vehicle was equipped with emergency lights for such purposes. I also explained that the subject was free to videotape me, so long as he did it safely. I told the subject that his vehicle was obstructing traffic, as well as the motoring traffic's view of my emergency lights, and that he was placing us all in danger. I requested that the subject move to a nearby parking lot and that he walk to our location to videotape us, but he told me that he would not. altercation with him, the vehicle remained parked behind us.

Shortly thereafter, Agent (b)(6) & (b)(7)(c) and I transported the subject to the Indio Border Patrol Station. The silver Mercury followed us throughout the duration of our travel to the Indio Station.

At the Indio Station, the subject was questioned regarding his identity. The subject refused to identify himself, but a physical search of his person resulted in the discovery of a Mexican voter identification card. The identification card indicated that he was (b)(6) & (b)(7)(c). Agent (b)(6) & (b)(7)(c) asked the subject if he was (b)(6) & (b)(7)(c) and the subject confirmed that he was.

Border Patrol Search Trauma and Rescue ("BORSTAR") Emergency Medical Technician ("EMT") Agent (b)(6) & (b)(7)(c) responded to the station and assessed (b)(6) & (b)(7)(c) injuries. After an assessment, Agent (b)(6) & (b)(7)(c) determined that (b)(6) & (b)(7)(c) had sustained a small laceration to the top of his head, presumably from our altercation with him. Agent (b)(6) & (b)(7)(c) indicated that the subject did not have any major injuries, but told us that the subject was requesting to be assessed by a hospital's medical staff.

California Department of Fire ("CDF") was contacted. EMTs and paramedics from CDF responded to the Indio Station and performed a more in-depth assessment of (b)(6) & (b)(7)(c). CDF EMTs indicated that (b)(6) & (b)(7)(c) did not have any major injuries, to include broken bones or joint dislocations. CDF EMTs also indicated that it appeared that (b)(6) & (b)(7)(c) was under the influence of alcohol. I asked (b)(6) & (b)(7)(c) about his alcohol consumption and he stated that he consumed approximately six or seven beers. Shortly after CDF's assessment of (b)(6) & (b)(7)(c), Agent (b)(6) & (b)(7)(c) responded and transported (b)(6) & (b)(7)(c) to the John F. Kennedy Medical Center ("JFK Hospital") so that (b)(6) & (b)(7)(c) could be examined by JFK's medical staff.

Approximately two hours later, at approximately 6:30 a.m., (b)(6) & (b)(7)(c) was released from JFK hospital. JFK's staff medically cleared (b)(6) & (b)(7)(c) and indicated that after they had examined him, they had determined that (b)(6) & (b)(7)(c) did not sustain any injuries beyond the small laceration on his head. Agent (b)(6) & (b)(7)(c) transported (b)(6) & (b)(7)(c) back to the Indio Station so that he could be interviewed and processed.

At the Indio Station, (b)(6) & (b)(7)(c)'s fingerprints were enrolled into the (b)(7)(E) database. (b)(6) & (b)(7)(c), (b)(7)(E)

<p>NARRATIVE:</p> <p>-----</p> <p>On Monday, May 12, 2014, I, United States Border Patrol Agent (b)(6) & (b)(7)(c) was assigned to roving patrol within the Indio, California Border Patrol Station's area of responsibility, along with Agent (b)(6) & (b)(7)(c) Agent (b)(6) & (b)(7)(c) and I were in green Border Patrol uniforms with badge identifiers visible and were driving a green and white Ford F-150 that was marked with Border Patrol insignia and equipped with emergency lights and siren.</p> <p>At approximately 4:35 a.m., Agent (b)(6) & (b)(7)(c) and I were driving south on Harrison Street, passing the intersection of Harrison Street and Airport Boulevard in Thermal, California. After passing through the intersection, Agent (b)(6) & (b)(7)(c) and I observed a vehicle traveling southbound, ahead of us, with its amber hazard lights illuminated.</p> <p>Harrison Street, otherwise known as "Old Highway 86" or "Old 86" is a north south roadway that parallels the Highway 86 expressway. The Highway 86 expressway runs from the United (b)(7)(E)</p> <p>(b)(7)(E) In Imperial County, California, the United States Border Patrol operates a checkpoint on the Highway 86 expressway that is tasked with inspecting northbound traffic. Harrison Street travels from near Thermal, California to (b)(7)(E)</p> <p>(b)(7)(E), (b)(6) & (b)(7)(c)</p> <p>As Agent (b)(6) & (b)(7)(c) and I approached the vehicle, we observed it turn off its hazard lights and enter the roadway from the right shoulder, traveling south. Within seconds, the vehicle's hazard lights illuminated again, it slowed, and pulled to the right shoulder.</p> <p>In that area, Harrison Street is dimly lit and does not have sidewalks for pedestrians to walk on. Also, Agent (b)(6) & (b)(7)(c) and I did not see any other vehicles driving nearby. Based on the the vehicle being stopped with its hazard lights illuminated in such an isolated area, Agent (b)(6) & (b)(7)(c) and I communicated with each other that we intended to stop and make contact with the vehicle's occupant(s) to engage them in consensual conversation regarding their safety and welfare, and, to subsequently speak with them regarding their identity, citizenship, and immigration status.</p> <p>Agent (b)(6) & (b)(7)(c) and I pulled to the shoulder behind the vehicle, which was a red 1999 Ford Explorer, and stopped. Agent (b)(6) & (b)(7)(c) and I exited and approached the Ford. As I approached the Ford on its passenger-side, I observed a male driver and female front-passenger. I tapped on the passenger's window and she opened the door. After exchanging greetings with the occupants, I identified myself as a United States Border Patrol agent and spoke with them regarding their vehicle. The occupants explained to me that they were having difficulty with the vehicle and it didn't seem to be running correctly. I briefly</p>

The driver identified himself as (b) (6), (b) (7)(C) and presented me with a paper copy of a California identification card. The passenger identified herself as (b) (6), (b) (7)(C) and stated that she did not have an identification on her person. (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) both stated that they were citizens of the United States by virtue of birth. I asked (b) (6), (b) (7)(C) if he, whether in his possession or not, had a valid driver's license, but he stated that he did not. (b) (6), (b) (7)(C) explained to me that (b) (6), (b) (7)(C) had driving privileges in State of California, but that she felt too tired to drive. While speaking with me, (b) (6), (b) (7)(C) hesitated before providing answers and, at one point, said, "I just want to go home," in what appeared to be a very anxious manner. With (b) (6), (b) (7)(C) consent, they exited the Ford and walked to the right of the shoulder so that I could speak further with them.</p> <p>Outside of the vehicle, I asked for and received both (b) (6), (b) (7)(C) consent to frisk them and search their vehicle. Agent (b) (6), (b) (7)(C) performed a frisk of both subjects which did not yield the discovery of any weapons. I performed a brief search of the interior of the vehicle, which did not produce any suspicious contraband. While I searched the vehicle, Agent (b) (6), (b) (7)(C) contacted, via service radio, the (b) (7)(E) (b) (7)(E). Agent (b) (6), (b) (7)(C) requested that (b) (7)(E) perform queries of (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) biographical information (b) (7)(E). Shortly thereafter, (b) (7)(E) contacted us and notified us that (b) (6), (b) (7)(C) was a previously removed citizen of Mexico. (b) (7)(E)</p> <p>(b) (7)(E)</p> <p>After receiving (b) (7)(E) notification regarding (b) (6), (b) (7)(C), I confronted him. I, again, questioned him regarding his identity, citizenship, and immigration status. (b) (6), (b) (7)(C) confirmed that he was, indeed, (b) (6), (b) (7)(C) but continued to claim that he was a citizen of the United States by virtue of birth in Los Angeles, California. I informed (b) (6), (b) (7)(C) that (b) (7)(E) had notified me of his true citizenship and immigration status. (b) (6), (b) (7)(C) lowered his head and began to cry. After several seconds, he admitted to being a citizen and national of Mexico by virtue of birth and admitted to being in the United States illegally. I notified (b) (6), (b) (7)(C) that he was under arrest and Agent (b) (6), (b) (7)(C) and I placed him in handcuffs.</p> <p>(b) (6), (b) (7)(C) was secured in the rear of our service vehicle and notified of his Miranda Rights at approximately 4:45 a.m. (b) (6), (b) (7)(C) acknowledged understanding his Miranda Rights and declined to speak with a lawyer before responding to any questioning regarding his identity, citizenship, immigration status, criminal history, and illegal re-entry into the United States after having been ordered removed by an immigration judge.</p> <p>After several minutes, (b) (6), (b) (7)(C) relayed to Agent (b) (6), (b) (7)(C) and I that she had gotten the vehicle running properly. (b) (6), (b) (7)(C) and the vehicle were released.</p> <p>(b) (6), (b) (7)(C) was transported to the Indio Border Patrol Station for further interview and processing.</p> <p>At the Indio Border Patrol Station, (b) (6), (b) (7)(C) fingerprints were enrolled into the (b) (7)(E) database and queried for criminal and immigration history. <p>While speaking with two subjects at the bus stop, I observed a male subject turn onto Palm Drive from a nearby, perpendicular street and begin walking towards us.
